

# Pumpkin Chocolate Chip Cookies

## Ingredients:

1 yellow cake mix (Just the mix, don't add the other ingredients on the box. I use Duncan Hines)

1 (15 oz) can pumpkin

1 tsp cinnamon

1/2 tsp orange zest (Secret ingredient! I love the bright flavor it adds!)

1/4 tsp cloves

1/4 tsp ground ginger

1/4 tsp nutmeg

1 1/2 cups chocolate chips

## Directions:

Stir together dry ingredients. Mix in pumpkin, then stir in chocolate chips. Preheat oven to 375 F degrees. Place a piece of parchment paper on a cookie sheet. Spoon cookie dough into balls and line on cookie sheet. Bake 10-13 minutes in the oven.
